

# Sermon: Delivered into Glorious Liberty

SERMONER: The Shepherd AMSE Kingsley Adeyinka

SUNDAY 13-4-2025

**Overall Theme: Understanding our inherited bondage due to the Fall and embracing the deliverance, authority, and restoration brought by Jesus Christ, the King, particularly emphasized during the Palm Sunday context.**

## Key Highlights & Points:

### **Christ's Kingship & Authority (Palm Sunday Context):**

Jesus demonstrated His full glory and royalty as King upon entering Jerusalem.

His authority is supreme ("Where the word of the king is, there is power").

He came to deliver, judge righteously, and restore.

### **Humanity's Bondage (The Fall & Romans 8):**

Creation was subjected to vanity and corruption *not* by God's design, but due to the fall of the first Adam.

This resulted in inherited bondage, struggle, pain, and limitations beyond human capacity (financial, physical, spiritual, etc.).

This condition is illustrated by Issachar (Genesis 49) and the unredeemed donkey (Exodus 13).

### **Christ's Redemption & Deliverance:**

Jesus is the Second Adam who came to deliver creation from the bondage of corruption.

His mission is redemption, not destruction ("Break his neck" vs. Christ redeeming).

He has the discernment to see and address hidden bondages and spiritual hindrances.

Deliverance comes through His authority and power.

### **The Key to Freedom: "The Lord Has Need of It":**

This phrase signifies Christ's overriding authority that neutralizes any power holding someone or something captive.

When Christ "sits" upon a life (like the colt), it is transformed from a state of burden to one of dignity and adoration.

This authority gives believers the power to command opposing forces to yield.

### **Essential Spiritual Disciplines & Actions:**

**Mandatory 5-Day Fast:** A specific Celestial requirement emphasizing spiritual discipline and seeking God's grace (connected to the number 5). Requires participation (5:30 AM prayer).

**Prayer:** Crucial for deliverance, overcoming challenges, receiving healing, and invoking God's power. Specific prayers against bondages and hindrances were encouraged.

**Corporate Thanksgiving:** Importance of celebrating God's work collectively (e.g., monthly birthday thanksgiving).

**Praise (Hosanna):** Hosanna represents the peak of glorious praise, turning challenges into testimonies.

**Declarations & Prophetic Word:**

Believers will rise and shine again despite past setbacks.

God will cancel inherited corruption and limitations.

Healing, empowerment, and unstoppable progress are declared.

Generational glory exceeding that of parents will be witnessed.

Restoration of honor, dignity, and blessing (business, family, etc.).

Prophetic word: Miracles will manifest within 7 days following Easter.

**Breaking Curses & Receiving Glory:**

Connection to curses (familiar, hereditary) must be broken through Christ.

Believers are called to pray for and receive the glory of God's Kingdom, allowing it to radiate through them.

**I. Welcome and Opening Declaration: Hosanna to the King!**

Hosanna! Hosanna! You can declare it better and clearer: Hosanna!

In the name of the Lord God Almighty, I welcome you all to His presence today, this Palm Sunday. As we look ahead, perhaps even with an eye toward the coming year, 2025, let us remember this is a day that Christ exhibited the fullness of His glory as a King. He showcased His royalty, declaring, "I am a King, and I am going to radiate in the glory of that royalty." The Bible says He rode into Jerusalem, and people were moved to bow down before Him and sing His praise. So I declare upon you this morning: no matter the preceding circumstances that have pressed down upon you and your destiny this year, you will rise and shine again in the name of Jesus! Amen.

**II. Church Announcements: Service, Birthdays, and Fasting**

Christ... um, now for some additional announcements.

First, concerning the service that was slated for this Saturday. I must appeal to those of you who have made arrangements for that day. Due to certain reasons, we must postpone it. We have to change the date. A new date shall be communicated to you. Please bear with us. Amen. Glory to God.

Number two, I'm going to work with the secretariat. We're going to develop a new synergy concerning birthday celebrations. We cannot just be mentioning your name individually throughout the month. Instead, at the end of every month, every birthday celebrant of that month, we will come together to offer thanksgiving. So, every final Sunday of the month, the names of those celebrating that month will be listed out, and we shall continue to display it, projecting it for you to see. Our media team is doing a great job with this already; every day you will see someone being celebrated on the WhatsApp page of the church. But it becomes a spiritual error when at the end of the month, you whose birthday it was are not joining in celebrating what God has done. So, we must develop this synergy and create this awareness. In fact, in my past parishes, we didn't even mention names daily, but we knew that at the end of the month, every celebrant of that month would come together and offer thanks. Is that not okay? Glory to God.

Third, concerning our spiritual lives. During our times back in the village, school would resume for academic work on Monday. But you are not just students in a physical classroom; you are students in the sanctuary of the Lord, am I right? And there is this peculiar grace we carry as Celestials. While other Christians have been fasting for almost 30-something days now, we receive the grace not to fast for that long duration, but now, tomorrow, it becomes essential, compulsory, your spiritual duty – Article 86 – to observe fasting for just 5 days. Glory to God! But learn to shout it: Glory to God! Thank you.

So, from tomorrow, no excuses, except where there are genuine health challenges. And for everyone of you that is having health challenges, we pray a divine intervention of permanent healing shall rest upon you. Amen. So please, it is a must, and it is even more essential for you to be here by 5:30 AM to pray. If other long fasts are shortened for us, what is stopping you from fasting for just 5 days? There's no excuse for us. This is one area we sometimes miss it as Celestials because some of us don't even know the spiritual implication of it. But by the time we start tomorrow, we shall be telling you the necessity, the spiritual necessity, of these 5 days. Some even call it 4 and a half days because on the fifth day, we round it up by 3:00 PM. But that is just the detail. So, it is 5 days, and that five is a number that stands for grace. Hallelujah! So, you want to enjoy the fullness of God's grace? It is necessary for you to pay the price. You must be here by 5:30 AM. Just 30 minutes. Glory to God! All these things have their spiritual implication. They are sacraments. These are rites, spiritual rites for us to observe. And I declare, as you are observing this year, the Lord shall heal you! A louder Amen! A new empowerment to forge forward shall rest upon you in the year 2025! It shall become unstoppable in the name of Jesus Christ! As I will be ministering this morning, bless me. Amen.

Perhaps potential was unrealized because Jesus was not sought... but somebody is here... Remember to pray for your helper too! Support is needed. And with your louder Amen, your helper shall not be buried! Amen! Your glory will not be buried! Amen! In the name of Jesus Christ! Amen!

Immediately after this service... I know someone was brought here... Your elder brother told me about you in this church. Please kindly see me before you leave. God bless you. Hallelujah. If Hallelujah has been my language for 365 days, then let's just clarify something... you just need to understand it. Oh sir, now I think you are holding your palm frond, you are holding one candle. God bless you.

### **III. Call to Prayer: Seeking Deliverance from Bondage**

I want you to bow down your head. According to what I've been speaking on: deliverance from bondage into glorious liberty. For you... But I say, for me! For you all are... all you are in... brought in me.

All you, silently, I want you to talk to God: Wherever my glory is bound, wherever bounding or the laying of hands of the enemy is working upon my life, Daddy, visit today, as you visit the house that was tied down! Lord, visit every bondage upon my life: my financial bondage, my physical bondage, my health bondage, my spiritual boundary, my spiritual life bondage. Lord, visit it! Visit today during the course of this ministration! Daddy, I want to see you, I want to feel you. Thank you, Jesus! In Jesus mighty name we pray. Amen!

Oh, your city... Lord God of Asha, I go to your people in your name! Every obstacle and hindrance, by reason of demonic intrusion into your life and destiny, today we bind you forever in Jesus name! Amen! The Bible says the words of the Lord liveth. As I was speaking the words of God into your life, into your business, into your home, into your marriages, I declare there shall be restoration at every point where you are witnessing backsliding or death! I declare there shall be life! That we thank you for today, and we shall continue to thank you in Jesus powerful name, I pray. Please sit down.

#### **IV. Understanding Bondage: Creation, Fall, and Corruption (Romans 8)**

Deliverance from bondage into glorious liberty. Please project it. Not just deliverance alone. I am not going to speak on deliverance just as a figure, but I'm going as... just a name... But we're going to look at the figures that go along with the church deliverances. When men were delivered, the type, the power that delivers you, determines your future. If you are delivered by a slave, you will still be operating as a slave. Are you following me? Are you still very much here? It is going to be a total glory! And somebody here, in His royalty, Christ shall deliver you totally! A louder Amen! The Bible says where the words of the king are, there is authority in his royalty. The Lord decided some people here today must be delivered.

Taken from Romans chapter number 8. Projected: Romans chapter number eight. Mr. Projector, thank you. We're going to read verse number 21, but I will visit verse number 20 also. Verse 21, the Bible says, please look at the screen. Look at the screen. Romans chapter number 8 verse number 21. The Bible says: "Because the creation itself also shall be delivered from the bondage of corruption into the glorious liberty..." Why? Why is that liberty, freedom, deliverance necessary in their life? When you go to verse number 20, the verse before that: "For the creature was made subject to vanity, not willingly, but by reason of him who has subjected them in hope;" Verse number 22: "For we know that the whole creation groaneth..." Now somebody say, "Until now!" Until now! Hallelujah!

Listen to me, and listen good. By the design of Him that created us, there was no iota of suffering that was meant to go along with our creation. And the first man that was created epitomized the fullness of God's glory. It was he that decided that goat must be goat and cow must be cow, and all other people follow it, am I right? There was glory, authority! There was this authority that glorified the man, that when he did it, it was final! What I'm trying to say is that the glory of the first man was so full that whatever he did, whatever he declared then, was final. It became unquestionable. Somebody here, what is that power that is still questioning your moving forward now? Heaven shall silence them forever! A louder Amen!

But by the reason of human weakness, let us put it like that, the first man failed. The first man failed. He now fell into corruption and pains. And the Bible says this corruption and pains of the first man that fell was transmitted. So it is beyond us, it is beyond our capacity. Somebody here, what your capacity cannot do for you, God shall come into operation there! A louder Amen! Are you still very much here? So impurity and deformity and infirmity were inherited. They were inherited by the reason of the fall of the first man. They were inherited. We are not qualified to be impure. We are not qualified to be deformed. We are not qualified for any infirmity. But because the first man fell, humanity continues living by the reason of this thing. That is why this verse number 20... Read verse 20 of that Romans chapter 8, please share screen. Okay, read, who can read for me? Romans chapter 8: "For the creation

was made subject to vanity..." They were made subject not by God that created us, but by the fall of the first man. I declare every corruption inherited by the nature of man, today your God will cancel it! "For the creation was made subject to vanity, not willingly..." It is supposed to benefit your life, but by the reason of human struggles and intrusion, today they shall be revived! So see, we are not suffering willingly, but by reason of him who has subjected us, by the reason of the first Adam that subjected them. Yes, the same, in hope.

#### **V. The Hope of Redemption: Christ the King**

But subject, we continue to look, that we are expecting another Adam. This is why in verse number 21, when the second Adam came, "because the creation itself also shall be delivered from the bondage of corruption into the glorious liberty" (verse 21) "of the children of God" (verse 22 implies). This time around, when we have been transmitted this fallen nature, we have lost our original glory... hello! Hallelujah! Now we as creation, this is what the Bible says in verse number 22, as we are groaning, we are doing this because we believe, we are expecting, because there must be freedom. Somebody must come for us. We don't know the time, we don't know what will lead to it, but somebody must come. Somebody that is coming in the name of the Lord. It's not just coming with a physical weapon, it's not coming with all this technology, it is coming in the name of the Lord! Here you are, perhaps sleeping spiritually. That is why David said, "I come to you in the name of the Lord God of Israel, that you have defiled." It is in the name! Blessed is He that comes in the name of the Lord!

That is why in the first lesson, read Psalm number 98. Psalm number 98, what is the last verse, yeah, verse number nine. Who is reading for me? Yes: "For he cometh, for he cometh to judge the earth: with righteousness shall he judge the world, and the people with equity." You are not projecting it, Mr. Projector! Are we ready? Hallelujah! Read before the Lord! But it's not just coming; something must happen. I declare the end! The Bible said the entrance of His word bringeth light. By the reason of what we are celebrating today, there shall be deliverance for you! When is He coming? He must come to judge the earth with righteousness. Shall He judge the world? This time around, these people were groaning, they were suffering in pain. They were not the ones that sinned directly, but the situation must be addressed. It must be addressed! Every power that has constituted a stoppage upon your destiny, you are not qualified to bear it today! You shall be delivered from it in the name of Jesus Christ!

#### **VI. The King's Demonstration: Truth and Entry**

Perhaps everyone here that is not living right... there's something that has subjected you, subjected your life to the pain, to the agony, to the failures you are passing through. And I declare as from today, the will of God shall come to pass in the name of Jesus Christ! So when Christ was preparing to go into Jerusalem, He came in His full apparel as a kingdom, as a king, as a royal representative. Pilate, I think it was Pilate, was trying to question Him. Pilate asked, "Are you a king?" Jesus replied, "Thou sayest that I am a king." Pilate then asked, "What is truth?" Jesus essentially said, "Okay, you don't know the truth? Let me demonstrate the truth." And Himself, He decided to enter into Jerusalem. Somebody here, the King of kings shall enter into your life! So while He was preparing to enter into the kingdom, into Jerusalem, in the second lesson (because of our time and the prayer system, we're going through it quickly), while He was planning to enter into that kingdom, He remembered. He remembered every

area where your glory has been bound in the village. The power of the Holy Spirit shall locate that village! Are you following me? But because this was a King, spiritually made, He remembers everything. Nothing can pass His knowledge. He can discern anything. Where prophet cannot discern it, Christ Himself will see it. Listen to me.

## **VII. Understanding Our Bondage: The Tied Colt (Genesis 49, Exodus 13)**

He just said there is a colt somewhere that was tied. And it is natural for a colt to be tied... Follow me in your scripture to Genesis. Genesis Hallelujah! Hosanna! Are you there, Mr. Projector? Genesis chapter number 49, verse number 14 and 15. Yes, yes. Let me go to the English language. Please project it. You can sit down, Madam, gently. We are reading verse number 14. Project it, Sir. "Issachar is a strong ass couching down between two burdens: And he saw that rest was good, and the land that it was pleasant;" Every young man and lady that comes out from their village, they want rest for their life, am I right? They want rest. They want to come out. They want to leave their village, their family, to go and struggle and become successful. Now they have been here for so long, working, struggling, no success because there is a cause. Please project verse 15: "And he saw that rest was good, and the land that it was pleasant; and bowed his shoulder to bear, and became a servant unto tribute." People expect money from you! Tell somebody: my life, my land shall be pleasant! Because they believe Abuja is a pleasant land. And to everyone here today, I declare, here in this land, you shall be blessed! That the land was pleasant, and he bowed his shoulder to bear. Yes, read on. And became a servant unto tribute. Hallelujah!

Now see the law in Exodus chapter 13, verse 13, regarding the firstborn donkey: "And every firstling of an ass thou shalt redeem with a lamb; and if thou wilt not redeem him, then thou shalt break his neck..." Yes, if you want to redeem this creature from its servitude, the law said, "the firstling of an ass thou shalt redeem..." This points to liberty! God! Are you getting the point? "...with a lamb: and if thou redeem him not, then thou shalt break his neck." His life, if nobody is coming to redeem, then break the neck, lose it! His life is not going to be useful. It was out of this restrictive context that Christ, Himself as the Lamb, wanted to operate. Are you following me? Because humanity, like Issachar, by the reason of the fall of the first man, has become a struggler, travailing as a slave, becoming a slave unto tribute. Break his neck! And Christ does not want our neck to be broken! Oh! Before the neck is broken, Jesus decided, no, there must be redemption! So this ass, symbolically under restriction, was banned from certain uses unless redeemed. And Christ wanted to demonstrate the redemption He is going to pay for the son of man. First thing, He saw it where it was bound, where it was tied. Hallelujah! He said, "Go to the village." Hallelujah! He saw it where it was hiding, hidden. I declare every power and principality that is hidden somewhere and tormenting you publicly, the fire of the Holy Ghost shall discover it!

## **VIII. Claiming Our Freedom: The Lord Has Need**

And I want you to prepare your mind. He did not send an entry Himself, He said, "Go to the village there; Thou shall find an ass that has been tied down." Hallelujah! You shall see what? Don't ask anybody demonic questions! Listen, hold your peace. Christ now wants to act because this time He is moving in His kingdomic power and royalty. Are you following me? That was Yoruba language for you: "We want to pray." Please let us... Okay, sit down. I want to pray for the church of God. Sit down.

Sit down. Listen. The man that tied the ass down, am I right? He had power over that ass. Many of us, we are guilty regarding whatever challenges we are passing through. But there is a power that is greater! That power that is enslaving us... Hallelujah! Hallelujah! Let me be more glorious! I shall be... I see Glory! We make... oh yeah! Lord... Jesus said unto them, "The Lord is in need." The Lord is taking control! Somebody is under the control of my voice! And from today, the Lord shall become the captain of your life, captain of your business, captain of your job, captain of your hopes, in the name of Jesus Christ!

But now, come. You have been working, you have been carrying burdens, nothing rewarding, no... but this thing, I'm going to dignify your life. By the time I sit on you, you are going to walk... your path shall be covered. You now walk upon the adoring of men! And the Bible says by the time Christ sat on the ass, riding in mercy unto Jerusalem, people continued to adorn it! Are you following me today? Anyone, are you following me? Help me! I want... Good day, Lord! I form... Hallelujah! Hallelujah! I want to see more!

You have to pray: Lord, every trouble that is rising against me in hidden places and manifesting in public, let the host of heaven discover and battle it! Corridor! Hallelujah! Hallelujah! Oh yeah! Oh! Oh, I want power that is changing the battle! Hallelujah! This was the power, the authority that was binding us before. Identity! Are you following me? Their identity was neutralized! He said if anyone, any anybody, any... Anyhow, if anyone questions you, just reply, "The Lord is in control now." Are you following me? Be up there powering... more so, grace the Lord! I'm here now! Let every power be neutralized! All power has been given unto me! I have authority over all! Okay. Before an ass could be redeemed, a lamb must go. Are you following me, church of God? Are you still here very much? Father, okay. There... Okay. He never begged. Look, whenever anyone questions you, just tell him, "The Lord has need of it." Are you following me? A power above all power! Philippians says He has given Him a name above all names, that at the name of Jesus Christ, every knee must bow! Said the Lord! Because the Bible said the axe was laid to the root... Am I right? Glory! Hallelujah!

### **IX. Prayer for Transformation: Kingdom Takeover**

So that every foundation of challenges upon my life, in the name of Jesus Christ, may the kingdom of God take over! No one hear me? What is that cause? Who is that wizard? Who is that witch? Oh, the kingdom of God, take over from you! Thy kingdom come! Thy will be done on earth! Listen to me. In the lifetime, in the lineage of your family... I declare every young man and young lady here: the glory that your parent has not witnessed, you will see that glory! Oh! Me coming... committing... your hosanna... I see your name... Hallelujah! Let me explain a little so that you pray this, and this is going to be the last prayer point. Only when Issachar saw that rest is good and the land is pleasant did he bow... Are you following me? Join! Beautiful Hallelujah! Hallelujah! I never knew You will favor me this way! I never knew You will be this way! I never knew You will be this way! Hallelujah! Hallelujah! Thank you, Jesus! I never knew, I never knew You will honor me this way! My Father, I never knew You will honor me this way! I never knew You! Hallelujah!

Hallelujah! You want to pray: Lord, bless me with the glory of Your kingdom! Oh, bless me with the glory of Your kingdom that surpasses human understanding! The glory of Your kingdom that surpasses human understanding, Lord, bless me with the glory of Your kingdom! I want to radiate in the glory of

Your kingdom! Thank you, Jesus! "Take my yoke upon you and learn from me... thou shall find rest..." When Christ now rested upon the horse, it became a royal personality! Somebody here, the glory of Christ shall rest upon your life! All right. Hallelujah! No... teaching life... Glory! It's okay. Your candle and your palm... That's okay. We... the Bible says people were worshipping. I declare upon somebody here today, at every area of your life where people have been reproaching you, as from today, the glory of God shall dignify you! Dignity shall rest upon you! It seems your business is fading away? I declare by the power of restoration, honor shall be brought back to your business! Amen! In the name of Jesus Christ!

Number two, the things that connect man with the curse is the ground. When Christ rode on it, the horse was transmitted out of the curse! Every area where your life has been conformed to a curse, today we break it totally! Your connection to hereditary causes is broken! Your connection to familiar crosses is breaking! As you are standing before the Lord God Almighty today, anybody that will connect you back to your cause, any power or principality that will connect you back to your cause, I declare the wrath of heaven shall rest upon that entity!

### **X. Closing Worship and Declaration: Hosanna in the Highest!**

Before I release this one, we're going to worship: Hosanna! Hosanna! Hosanna in the... Hosanna! Hosanna! Hosanna! Hosanna in the highest! Oh Lord, we lift up Your name! We are full of praise! Yes, our God! Hosanna in the high! Hosanna is the peak of glorious praise! Hosanna is the peak of glorious praise! I declare whatever challenges you have passed through in the course of this year, it shall end in praise for you! I don't know where you are by reason of your plans, your dream, your projection. I don't know where you are, the level you are right away. But I declare no matter this setback, it shall end in praise for you! This time around, who shall ascend unto the hill of the Lord? Who shall stand in His holy place? They that have clean hands and a pure heart. Okay. Every power that is trading with your blessing, with your destiny... He said the table of the money changers... Eternity! Only those who sell doves... I want... I want... she... I want you at your room... Today, and as from that day the Bible says the temple was cleansed. As from today, every dirty thing in your life is cleared away from you! The grace of wholeness and purity shall rest upon you in your central Cathedral, Abuja!

### **XI. Final Blessings and Prophetic Word**

As I was at 40, I can stand at 85... I declare! I declare every young man here, home and abroad, during the lifetime of your parent, you will prosper! Your prosperity shall be a blessing to your family, a blessing to the church of God, a blessing to the nation, a blessing to the world, a blessing to your generation, in the name of Jesus Christ! Every spirit of... Worship everybody...

And I speak prophetically as a prophet of God: Immediately after this Easter period, just 7 days, your life will speak a miracle! In Jesus powerful name we pray! Seven beautiful and louder Amens to our God!

Let's go on our knees as we observe silent prayer. Jehovah Jesus Christ Holy Michael. Father, we thank You as Your children for this wonderful atmosphere, for this supernatural miracle that You have done. Father, after this Easter, it shall be miracle galore for us! Each one of us shall come back to give

testimony on Your name. Thank you, Jehovah, for You have done it. Amen. Preacher, we shall have a room in Your kingdom. Jesus mighty name I pray. Amen.
